Cancellation policy:

By signing this contract you understand that the product to be created by ADC is unique and that ADC is setting aside time for research, ordering ingredients / supplies, ordering / creating custom decorations, scheduling amount of staff to work as well as turning other potential clients away, a substantial amount of time before your event. You understand that your product will be ready on the Date of Engagement. If you cancel, ADC will suffer losses due to the commitment they've made to you. These losses are hard to measure and therefore **ADC has a strictly followed refund policy if you decide to cancel this contract. No exceptions!**
